

A Tree Journal

Arborist: _____

Where is your tree?

What type of tree is it? (Do you know?)

How tall is your tree?

__ smaller than me

__ smaller than a house

__ bigger than a house

How wide is your tree?

__ smaller than my arms outstretched

__ bigger than my arms outstretched

Do animals or insects live in your tree? What do you see?

Can your arms fit around the trunk?

__ yes

__ no

Measure the trunk with a measuring tape:

Would your tree give shade?

__ yes

__ no

Could you climb your tree?

__ yes

__ no

Draw your tree using colored pencils:

Does your tree have leaves or needles? Tape some here:

How many leaves or needles grow from each "clump" on the branch?__

Put your paper on the bark. Rub the paper with the side of a crayon:

Is the bark rough? Smooth? What color is it? _____
